

# Draw Nigh (1 of 2)

*Eddie James*

## VERSE 1

I hear a voice like a trumpet in the heavens saying hum  
There's a groan in my spirit, the sound of desperations filling-in my heart  
Deep cries unto deep, calling me to dwell in Your secret place  
I thirst for your presence, my face is set like flint to Your face

## PRE CHORUS

I wanna be closer, I wanna be closer, I wanna be closer  
I wanna be with You, be with You  
(Repeat)

## CHORUS

(So) I will draw nigh to You, draw nigh to me  
I'll draw nigh to You, draw nigh to me  
I'll draw nigh to You, draw nigh to me  
'Cause I wanna be close to You, Lord  
(Repeat)

## VERSE 2

Hills melt like wax and the earth trembles  
The heavens move and the mountains shake in Your presence  
Angels fly, demons run away at the sound of Your name  
Creation shift, declaring Your fame  
Yeah, somehow by Your blood  
You chose me to ascend Your hill  
Place of angel, perfected worship into Your courts  
You called me still with grace and blood  
I humbly stand in Your presence I'm settling  
For Thee I'm justified by faith  
You Son that's sitted in the heavenly place, yeah

# Draw Nigh (2 of 2)

## VERSE 3

I'm in awe that You are more than audience  
Of such frailty and weakness  
It's beyond my comprehension  
Why you would even grant me holy access  
Yet that same presence that causes and  
Tramples my enemies under my feet  
And the same presence that heals me  
Fights demonic principalities

## VAMP 1

So I will draw nigh to You (Draw nigh to me)  
Get closer to You (Draw nigh to me)  
Draw nigh to You (Draw nigh to me)  
Oooh (Draw nigh to me)

## VAMP 2

Draw nigh (Draw nigh)  
I'm alive (Draw nigh)  
Gotta have You (Draw nigh)  
Gotta get closer (Draw nigh to me)  
to You, Lord (Draw nigh)  
Ooohhh (Draw nigh)  
Hey... (Draw nigh)  
Ooohhh (Draw nigh to me)

## BRIDGE

Changed forever, joined to the fullness, You are my safe place  
Changed life with truth and revelation at the sight of Your face  
Oil causes things to shine and my heart is like with wine  
You are my oil, You are my wine (2X)

## ENDING

Lord I'm asking for You to draw nigh to me
